greetings from the general manager -

On the heels of The Sands' platinum anniversary celebration, we are thrilled to continue enhancing our resort and guest services to be the best ever. Beyond ongoing resort enhancements, we are pleased to come together with our staff in support of the local TCI community. Over the past two decades, we have developed a strong community service program benefitting: Nutrition In Demand, focused on health education, dietary needs for the community; ALL Cancers Walk; TCI Tourist Board's Youth Explosion, Earth Day – Kite Day; and so much more.

We welcome guests to bring in school donations as part of Pack for a Purpose, participate in TCI Shines, donate to Provo's Children's Home, or even consider taking home an adopted "potcake puppy" from Potcake Place.

With more than 20 years on the island we are privileged to continue working to make Turks and Caicos better than ever helping develop tourism as we support the community in our service endeavors.

Warm Regards,

Mona Beeson
General Manager
